Ms. Castro is in full compliance with her conditions of release. On January 3, 2006, she paid her \$100 special assessment fee. On February 8, 2007, she paid her fine and restitution in full. She completed her there mandatory drug tests on October 19, 2006 and completed the year-long drug treatment and testing program on August 28, 2007. Her DNA was collected by the Bureau of Prisons on May 10, 2006. On April 1, 2008, she was hired by Century Insurance, however, the status of her employment is in limbo due to her present medical problems.

On April 15, 2008, Ms. Castro, who is seven months pregnant, was admitted to the Commonwealth Health Center (CHC). CHC has referred Ms. Castro to Kapiolani Medical Center in Honolulu, Hawaii for the duration of her pregnancy and birth of her child. She will be required to remain in Hawaii until at least June 23, 2008. She will be traveling with a CHC nurse and her significant partner, Mr. Jesse Domingo, through Japan to Hawaii on April 23, 2008.

In light of Ms. Castro's present situation and her compliance with her supervised release conditions, this Officer supports her request for travel and seeks the Court's approval to allow her travel to Honolulu, Hawaii.

RESPECTFULLY submitted this 23rd day of April 2008.

Respectfully submitted,
